DIMENSIONS • 63" H x 63-7/8" W x 21-1/2" D

## Guitar Habitat® - 2 PC Modular

DIMENSIONS • 63" H x 63-7/8" W x 21-1/2" D

Our Modular Guitar Habitats® are our foremost solution for tight spaces. These modular cabinets enable you to have sections linked together allowing you to install a large cabinet upstairs or downstairs. Each cabinet section can accommodate up to 5 instruments and they are available in 32" or 40" sections. They come standard in natural cherry or oak with a one gallon humidifier, analog controller, patented Horneff doors, door lock, standard LED lighting and drawers.
